Hi Dawn,

The PDFs are attached. I'll send you a dropbox link with the raw data, the files are too large to email.

Have a great weekend!

I asked for three reports:

- 1) Anyone who checked LADowntownNews.com and LA Downtown News (combined)
- 2) LADowntownNews.com
- 3) LA Downtown News

That way, you can send if there are any trends with online vs print readers.

I'll forward as soon as I get them from Elan.

Thanks Henna. I am actually interested in extracting our data from the survey. Is there someone at the company you used that I can contact directly? Should I ask Elan for the contact?

Hi Dawn,

Here is the file that I received from the Econ Dev team. Let me know if you have any questions.

Hi Henna,

I wanted to follow up on the data for the media question, specific to Downtown News break downs. Do you have data you can send yet?

Hi Dawn,

Please see attached for roughly 3,100 names and emails of Downtown LA Survey respondents. I've also asked for data on the media question so I will send that as soon as I have it.

Currently, we plan to release a report

with the survey results at the January CCA GMM. I believe that is planned for 1/18. We would, of course, make sure you receive a first copy along with a press release well in advance.

Let me know if you have any questions!

Thanks,
